ABOUT THE COMPANY

We are proud of our natural and rich nature, cultural heritage and mineral springs! Our travel agency has been making individual and group trips for more than 13 years. It is important for us that everyone could feel the rich cultural wealth of Bulgaria, that is why we offer cultural, religious, historic, incentive and eco-tourism, wine and food tasting in all parts of our country. We have wonderful locations with mineral springs which is an incredible prerequisite for a rejuvenating holiday. Also, many of the Bulgarian Landmarks are in the UNESCO List of the World Natural and Cultural Heritage and all the beautiful natural parks and pure nature provide additional opportunities for the tourists.
